## First of all...

Well done to Dolphins for all their hard work leading up to and during SATs week. We would like to thank all their parents /carers and the rest of the school for their support and understanding during this time.

### A Visit from the Metropolitan Police

Last week, children in KS2 were visited by PC Finnerly and PC Adams who came to talk about cyber bullying. Over now to our on-the-ground reporters for more on this important story...

### Article 19

Every child has the right to be protected from all forms of violence, abuse and neglect.

Cyber bullying is when you get bullied online, on your phone or through online gaming. It is anything that makes you feel upset, from unkind personal comments to people being rude about you. It can even be pictures. Cyber bullying can actually be worse than ordinary bullying because you don't always know who it is and it can happen anytime day or night. You can't even escape from it even when you are at home because technology is everywhere.

Cyber bullying is a very serious issue. It can effect anyone and can be really scary. If it happens to you, it's important you tell an adult so they can help you to stop it.

### Right of the Month for May - Article 24

Every child has the right to the best possible health.

Summer is on its way and we are all looking forward to spending lots of time outside for playtimes and also lessons! But we must make sure that we take steps to stay safe in the sun. Here are a few sun safety tips...

Please ensure your child brings a hat in to school every day (with your child's name in it). We also ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection during the school day. You may also provide sun cream in a named bottle for your child to apply themselves at playtimes/lunchtimes

For more information on how to stay safe in the sun, please visit this NHS website:

### National Walk to School Week! 16<sup>th</sup> - 20<sup>th</sup> May

As a 'Healthy School', we are continually looking at ways to help improve the health of all pupils and staff and what better way than encouraging everyone to walk to school as part of **National Walk to School Week!**

I wonder which class will get the most stickers on their special *Walk to School Week* wall chart!

**How many days will you walk to school?

## A Message from FoSP

Dear Parents/Carers,

We are still really keen to hear from anyone willing to display a sign on their property advertising our International Day Summer Fete - local estate agents Lauristons are willing to donate money to the school for every house that signs up. *They promise faithfully that they will then take the boards down the day after the fete.* Anyone who owns their property can choose to have a board but those who rent can do so too (obviously you should check with your landlord that it is OK first just in case they have an agreement with another estate agent). If this is something you might be interested in doing, please contact the School Office as soon as possible.

Thank you!
