Many thanks to everyone who donated cakes or came along to Friday's Coffee Morning in aid of **Macmillan Cancer Support**. Thanks to your generosity, we raised a fantastic £209.88!

Congratulations to Vicki Majali and Moya Wilkie, joint winners of the **Name that Cake** competition and also to Stephanie Parkin, winner of the **Spotty Cake** Competition!

## Democracy in action!

Last week the Shaftesbury Park School Council held its first meeting. As part of this, the children each wrote a short paragraph of introduction, stating why they had wanted to be a school councillor and what they were hoping to achieve. These will be on display in the School Office from next Thursday.

Article 12:  
Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.

This week also saw the election of our Year 5 Junior Road Safety Officers. Well done to Macy, Myia, Zayn and Deck. We look forward to hearing more from them over the next few weeks.

## Mathematics Mastery

On Wednesday and Thursday, Mr Smith, Ms Parkin and Mrs Ahmad-Banks held Mathematics Mastery workshops for the parents of children in Reception, Year 1, Year 2 and Year 3 to show how Shaftesbury Park teaches mathematics. The workshops also shared different ways parents can support children at home. We hope that you found the workshops useful. If you have any suggestions of future topics you would like to see covered, please contact the School Office.

*Don't  
Forget!*

There will be one further Mathematics Mastery workshop for Reception Parents on Tuesday 6<sup>th</sup> October 5.30pm - 6.30pm and a Mathematics Mastery Observation Morning on Tuesday 13<sup>th</sup> October 9.00am - 10.00am. Please contact the School Office to confirm your attendance.

Following last week's Lego workshops, the Sharks, Seals and Starfish classes have been to Battersea Arts Centre today to see their hard work on display. We look forward to hearing more about this next week.

## Upcoming events...
