**** REMINDER ****

**Don't forget that Monday 4th May is a bank holiday
and that the school will be shut**

A very big 'thank you!' to all of the children, staff, parents and carers who were involved in the Network for Languages filming that took place on Monday. The film crew were very impressed by the high standards of learning across the school and they were very complimentary about the wonderful politeness and manners displayed by the children. The project was a huge success and we are really looking forward to seeing the final product in Summer 2.

Watercycle Concert

Turtles and Sharks performed in a concert at Kings Place along with the Orchestra of the Age of Enlightenment on Monday afternoon. They sang a beautiful song about the Water Cycle and enjoyed using their water bottles filled with loose change as percussion. All of the change is being donated to WaterAid. Thank you to everyone who donated.

Football results

A huge congratulations to the Shaftesbury Park girls' and boys' football teams for coming 2nd and 5th overall respectively in the Chelsea League for Wandsworth Schools. We are so proud of you for all the effort that you have put into this competition! We look forward to hearing all about upcoming cricket competition at the Spencer Club and a football competition for year 1 in conjunction with Fulham football club over the next few weeks!

Summary report cards

By now, you should have received a blue report card for your child, giving you an indication of their attainment and effort in various areas of the curriculum as well as information about their completion of homework and suggestions for how to support your child's learning at home. We hope you have found this information useful. If you have any questions, please don't hesitate to speak with your child's class teacher.

Article 24

Every child has the right to the best possible health.

Summer is on its way and we are all looking forward to spending lots of time outside for playtimes and also lessons! But we must make sure that we take steps to stay safe in the sun. Here are a few sun safety tips...

Slip on a shirt

Slap on a hat

Slop on the 30+ sunscreen,

Please ensure your child brings a hat in to school every day (with your child's name in it). We also ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection during the school day.

For more information on how to stay safe in the sun, please visit this NHS website:

COMPETITION

DESIGN A SUN SAFETY POSTER

Help remind other children about how to stay safe in the sun by entering our poster competition!

Posters must be on A4 paper and mention these ways of staying safe in the sun:

- wearing sun cream
- wearing a hat
- drinking lots of water
- staying in the shade

Please give your entries to Miss Parmenter in the School Office.
The winning poster will be displayed around the school!

GET CREATIVE & GOOD LUCK!

Article 29

Education must develop every child's personality, talents and ability to the full.

On Wednesday, six year 5 children attended a public speaking workshop at Burntwood Secondary School. They were given opportunities to put forward their views about a number of important topics such as 'Should children wear school uniform?' The children from Ms Sotudeh's class joined many others from neighbouring schools to learn how to speak in public and the formalities of debating. We will be taking part in a debating competition in June, so watch this space for news about that.

A little message from Battersea Arts Centre

"We are delighted to tell local families that Battersea Arts Centre is safe and open to the public, despite suffering a major fire to the back of the building on 13 March. *The Bee's Knees* play space is untouched and open as usual. You can also book for lots of shows going ahead as planned on their website. We have lost our Grand Hall but would like to say a huge thank you to everyone who has offered their help or donated money towards the rebuild of this much loved space. If you would like to help, find out more here: www.bac.org.uk/phoenix."

Summer Fete Saturday 13th June

We need your help to prepare for our internationally-themed fete!

Please fill out this survey if you haven't already! We are keen to explore lots of different cultures as part of our International fete and are keen to learn about your culture and any traditions/skills you would like to share. This survey will give us a better idea of what skills we have in our own school community that we can draw upon. If you wish to help us prepare for the event or even on the day, filling out the survey is the best way to let us know! :

Let the School Office know if you would be willing to display a sign on your property
 A local estate agent is willing to sponsor our school fete and provide the star prize for our raffle in exchange for parents displaying advertising on their properties but only if enough people sign up to do it!

Remember, all money raised will be put towards a fantastic new library for the school.

Thank you in advance for your support.
