

Shaftesbury Park Primary School Shaftesbury Update

Issue 29: Summer 2 Monday 29th June 2015
www.shaftesburypark.wandsworth.sch.uk

As we rapidly approach the end of another academic year, it is time for a few important reminders...

Uniform

As thoughts turn to purchasing uniform for the academic year 2015/2016, we would like to take this opportunity to remind parents/carers that children will no longer be permitted to wear navy jogging bottoms and trainers to school. As you will have seen on the letter about uniform sent home with your child today, children must wear navy trousers/skirts and black shoes instead; we think these are much smarter and also more flattering, particular as children get older. All children must wear a navy polo shirt with the school logo and either a red school cardigan or sweatshirt, again with the school logo. For PE, please provide your children with a plain white T-shirt, navy shorts and trainers. Children may wear navy jogging bottoms and a navy fleece during colder weather. We thank you for your support in this matter.

Reports

Please look out for school reports being sent home with your child this week as well a letter giving details of our parents evening!

Fantastic work by children in Key Stage 1

A huge well done to all children in years 1 and 2 for their hard work over the last few weeks in their phonics checks and Year 2 SATs. We are very proud of you!

Aspire Estate Agents

Following on from their fantastic sponsorship of our International Day Summer Fete, we are excited to announce details of another joint venture between Shaftesbury Park Primary and Aspire Estate Agents. In an act of extreme generosity, Aspire are pledging a donation of £1000 for every property they sell that has been referred to them by our school. Even if only one house is sold, this amount of money would make a huge difference to the school. To find out more, please contact the School Office.

****ADVANCED WARNING****

Shaftesbury Park's Got Talent is coming, so get practicing! Why not get together with some of your friends to come up with something special for this year's show!

Hand Hygiene

Even though the weather is getting warmer, you can still catch nasty coughs and colds and become ill, especially if you don't wash your hands properly.

But when should I wash my hands?

- Before eating
- After using the toilet
- After blowing your nose
- Before cooking

Speak with your child today about staying clean to stay healthy.

Article 24

You have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

Sun Safety

A huge well done to Macy for her winning idea of using holiday photos to encourage people to stay safe in the sun. Look out for a poster inspired by Macy's design appearing around the school in the next few days.

Stay safe in the sun because you may get burnt but the best thing to do is smother suncream all over your face.

Try to stay in the shade as much as possible. Wear a hat, drink lots of water and use suncream especially if it's a hot day and if your in a pool.
