

# Activities

## ICT

The Breakfast and After School Club make use of the ICT facilities of the school. The children are able to use of the Internet, digital cameras and a range of software. They are encouraged to make cards, certificates, spread sheets, graphs etc.

## Homework support/reading

The children are encouraged to complete some of their homework with staff from the After School Club and teachers from Shaftesbury Park School. This is a relaxed session where children can support each other, talk about areas of work they find difficult and build their confidence with the 1 to 1 and small group support that they need.

## Free Play

We also provide a wide range of games, toys, colouring in, dressing up and role play toys for indoor play and skipping ropes, hoops, pompoms, balls and racquets for use outside.

Children accessing the provision are also able to sign up to any of the other extracurricular activities offered by the school:

Sports Base

Gymnastics

Brainwave Science

Choir

Streetdance

French

Football

...and many more!
