Welcome back! We hope you have all had a restful break and are ready for lots more hard work during this final half-term!

Congratulations to Jaliyah

This week, it was our pleasure to welcome Emily Standing from Thomas's School Foundation to Shaftesbury Park to present Jaliyah with her TSF music scholarship certificate. Despite only performing in school for the first time as part of our creative week showcase, Jaliyah has in fact been learning the trumpet since September. The Thomas's Schools Foundation Music Scholarship means that Jaliyah will receive

free trumpet tuition. Congratulations to Jaliyah on this remarkable achievement.

Article 29

Education must develop every child's personality, talents and abilities to the full.

Scooter training

Today, children in our Reception and Key Stage 1 classes enjoyed some free Scootering sessions from Rupert, Lawrence and Zvi as part of our School Travel Plan, promoting safe, healthy, sustainable travel. The children were coached in how to scoot with control, practicing essential skills such as braking and changing direction, and reminded of the importance of being aware of other pavement users. Many thanks to all those who brought scooters to school today and, of course, to Rupert, Lawrence and Zvi.

Article 31

Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Advice and support on helping children feel safe

In the wake of recent events, some parents have asked for support in how to help their children feel more secure and understand the world in which they live. To this end we have sent home two documents that have been sent to us for this purpose. Should you have any further questions, please contact the school Office.

Check out the Rights of the Month highlighted in blue in every Shaftesbury Update

World environment day

With 5th June being World Environment Day, what better time to celebrate the great success of our school garden?

As you can see from these photos, the garden is growing magnificently! We have already harvested some radishes and look forward to being able to pick our first crop of strawberries very soon.

Article 24

Every child has the right to the best possible health.

Summer is on its way and we are all looking forward to spending lots of time outside for playtimes and also lessons, especially in our lovely garden! But we must make sure that we take steps to stay safe in the sun.

Here are a few sun safety tips...

Sip on a drink

Slap on a hat

Slop on the 30+ sunscreen

Please ensure your child brings a hat in to school every day (with their name in it). We also ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection during the school day. You may also provide sun cream in a named bottle for your child to apply themselves at playtimes/lunchtimes

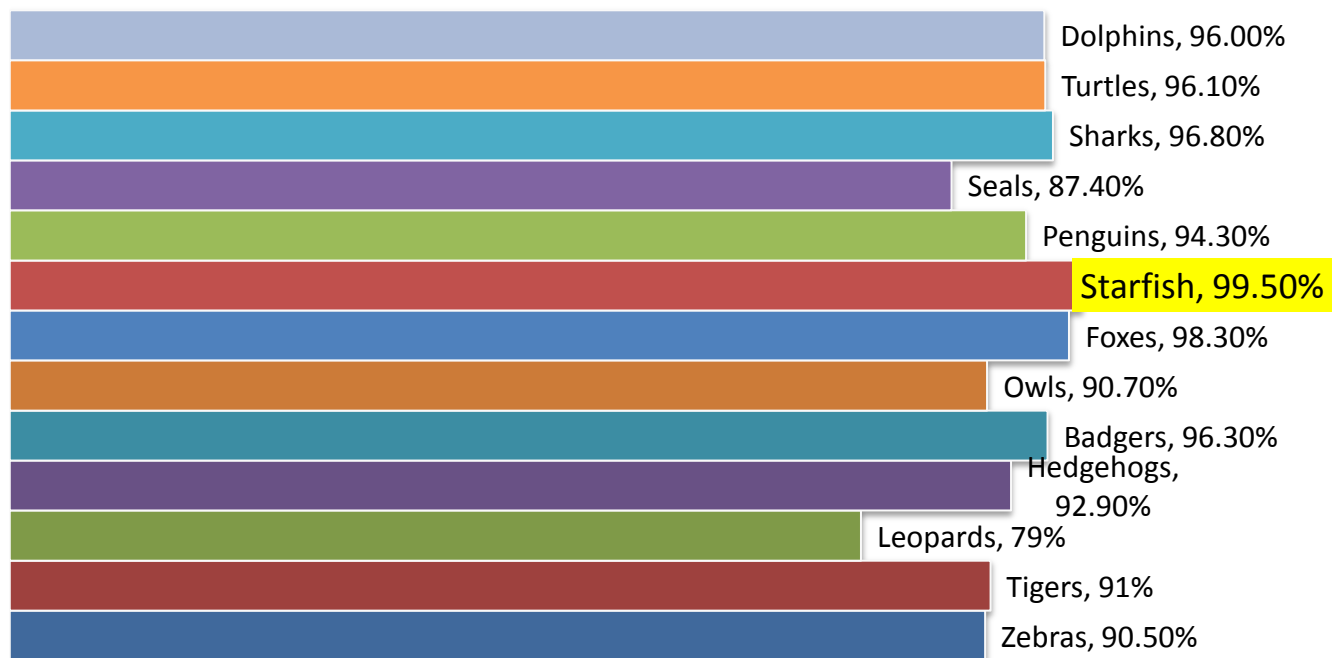

For more information on how to stay safe in the sun, please visit this NHS website:

<http://www.nhs.uk/Livewell/travelhealth/Pages/SunsafetyQA.aspx>

**** Fete Update ****

I am very pleased to announce that the grand total raised by the International Day Summer Fete on Saturday 20th May 2017 was a staggering £2112.79! Many thanks to everybody who donated items for our tombolas and raffles, toys and sweets as well as those of you who bought raffle tickets. We would also like to thank everyone who helped us prepare or volunteered on the day.

Attendance for week commencing 22nd May 2017

Congratulations to Starfish class for their excellent attendance!

Will Starfish hold on for a second week on top or will another class steal their crown? Who will manage to reach 100% first?

Check out next week's Shaftesbury Update to find out!

DATES FOR THE DIARY
