OUR CREATIVE WEEK ASSEMBLY

By Mason, Turtles Class

Last week we had our assembly to show parents what we had been doing during creative week. There were guitar and violin performances, the choir sang and we watched some street dance and a special year 6 dance performance. The parents who came really enjoyed watching the performances and looking at the display of all the artwork we had been doing

Education must develop every child's personality, talents and abilities to the full.

Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

during the week. My class had been working on all sorts of optical illusions, inspired by M.C. Escher, and we made tessellations of birds and cats and even had a go at printing our own patterns! I enjoyed the assembly, especially Eudella's solo when she sang whilst playing the guitar, that was really good. I thought the assembly was a nice way to end creative week.

Phonics meeting

On Thursday, Mrs Lagartixa held a phonics meeting for Year 1 parents at which she shared practical ways to help children at home with their phonics. Mrs Lagartixa also spoke with parents about how the phonics check is administered. Many thanks to those parents that we able to come along. If you weren't able to attend or would like further information, please see Mrs Lagartixa or Miss Little.

Teethcare Workshop

Many thanks to Tracy the School Nurse for Tuesday's very informative workshop about teeth care, the last workshop in our current series. We hope you have found these workshops useful. Please do let us know of any further themes you would like to see covered by future workshops.

A Message from FoSP

Dear Parents/Carers,

We are still really keen to hear from anyone willing to display a sign on their property advertising our International Day Summer Fete - local estate agents Lauristons are willing to donate money to the school for every house that signs up. *They promise faithfully that they will then take the boards down the day after the fete.* Anyone who owns their property can choose to have a board but those who rent can do so too (obviously you should check with your landlord that it is OK first just in case they have an agreement with another estate agent). If this is something you might be interested in doing, please contact the School Office as soon as possible.

Thank you!

We still want your Sainsbury's Active Kids vouchers!

With the Sainsbury's Active Kids voucher scheme now finished we are looking forward to counting all our vouchers and seeing what equipment we can get. If you have any more vouchers

lying around at home, please remember to post your vouchers in the box in the School Office as soon as possible. Every voucher really does matter. Thank you.
