Issue 30: Summer term

Friday 11<sup>th</sup> July 2014

## Sports Day

On Monday we had an absolutely brilliant Sports Day. Children from Nursery to KS2 enjoyed taking part in a wide range of races, ball skills and throwing events. It was lovely to see and hear so many children cheering on their friends and classmates. A special well done to our best supporting athletes for their excellent teamsmanship.

## Reception Graduation

Thanks to all the Reception parents who came to the school this morning to watch their children 'graduate' from the Foundation Stage, ready to go to Key Stage 1 in September. We hope you are as proud of them as we are for all their achievements this academic year and that you all enjoyed the party!

## Violin Concert

We also enjoyed a fantastic violin concert this week by the children in the Sharks class, with renditions of 'Kumbaya', 'When the Saints Go Marching In' and 'Twinkle Twinkle Little Star' (in alternative jazzy and sleepy styles), with fantastic solos by Daniella, Renée, Carl and Ayman. Well done to everyone for their hard work this year!

## Bastille Day

On Monday we will be celebrating Bastille Day as we do each year. This year the children will be finding out about countries which speak French and presenting what they have learned to the whole school in an assembly in the afternoon. KS2 will be going to Battersea Park to play a selection of traditional French games, sing some simple French songs and practice their communication skills. We would like all children to wear their own red, white and blue clothes to school if they wish.

## Our New School Logo!

Our School Council have helped to create a new school logo which incorporates the gold school as seen on our school uniform and our school colours of red and navy. They wanted to include a

globe to show the international perspective of the school now that we have bilingual classes and will be following the International Primary Curriculum from September onwards. We hope you like it! We will be using our new logo on school correspondence and around the school from September. We are very excited about launching our new website, which is currently being built, and hope that it will be ready for the new school year.

<h1>100 Word Challenge</h1>	This week's 100 word challenge is: <b>...but 'I'm afraid it's the last one', he said...</b>
