Walk to School Week

SPECIAL EDITION

Next week is National Walk to School Week!

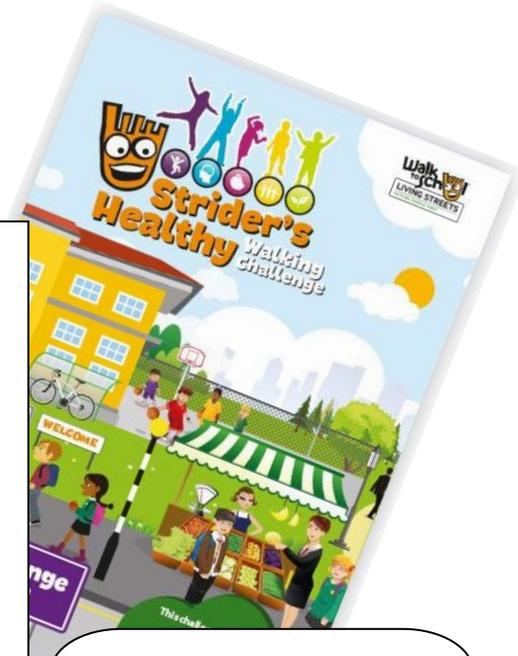

As a 'Healthy School', we are continually looking at ways to help improve the health of all pupils and staff. We are therefore very happy to announce that next week KS1 and KS2 will be taking part in **National Walk to School Week**.

Today, children in years 1 to 6 will be bringing home a special *Healthy Walking Challenge Activity Diary* which we are asking all parents/carers to help their children complete. The purpose of this diary is to help your child learn all about the many health benefits of walking to school.

All children will receive a special sticker for their class wall chart for each day they are able to walk to school next week.

If your child brings in a completed diary on Friday 22nd May they will also receive a small prize to celebrate the positive action they have taken towards keeping themselves healthy.

We thank you in advance for your support.

I wonder which class will get the most stickers on their special *Walk to School Week* wall chart!

Every child has the right to best possible health.

Although Walk to School Week is only targeted at Key Stages 1 & 2, we are sure that our Reception and Nursery classes will be keen to take part too.

If you have a Reception or Nursery-age child, why not do your own Walk to School Week by helping your child fill out this Weekly Walking Chart and talking about some of the reasons why it is good to walk to school given below?!

The Leopards class parents' meeting will be taking place on Wednesday 20th May. The purpose of this meeting is to provide further information about staffing and timetabling arrangements for next year. We hope as many of you as possible will be able to attend this important meeting and will therefore be providing a crèche facility for those unable to arrange childcare. Please contact the School Office to confirm your attendance and whether or not you will be requiring space(s) in the crèche.

We need your help to prepare for our internationally-themed fete!

Please fill out this survey if you haven't already! We are keen to explore lots of different cultures as part of our International fete and are keen to learn about your culture and any traditions/skills you would like to share. This survey will give us a better idea of what skills we have in our own school community that we can draw upon. Let the School Office know if you would be willing to display a sign on your property

A local estate agent is willing to sponsor our school fete and provide the star prize for our raffle in exchange for parents displaying advertising on their properties but only if enough people sign up to do it!

Remember, all money raised will be put towards a fantastic new library for the school.

Thank you in advance for your support.
