

## How can I find out more about Zebra Nursery?

Come to one of our open mornings for a guided tour and question and answer session, to see our nursery class in action and meet our friendly staff. Existing nursery parents will also be on hand to chat to.

The open mornings for 2015 entry are 3rd December 2014 and 14th January 2015, both from 9.30-11.00.

**Please contact the school office to book a place or for more information about Zebra Nursery.**

## How can I access additional nursery education on top of my free fifteen hours?

- From the age of three, all children are entitled to 15 hours of free nursery provision
- Working parents will often require more than fifteen hours nursery provision each week. At Zebra Nursery we can cater for your child care requirements with flexible top ups
- Top ups are available in three hour blocks (9.00 to 12.00 or 12.00 to 3.00)
- The cost per three hour block is £20
- You are able to purchase up to an additional fifteen hours as top up per week
- We also have excellent extended school day child care provision; you can purchase child care in the breakfast club from 7.30 to 9.00 (£4 per session) and after school club from 3.00 to 6.00 (£10 per session). Both sessions include a meal.

## Admission to Zebra Nursery

- Information on the procedures for admission to maintained nursery classes can be found in the publication 'Choosing Nursery Education in Wandsworth' which is widely available in the borough and is located on the Family Information Services (FIS) website ([wandsworth.gov.uk/fis](http://wandsworth.gov.uk/fis))
- Priority for a nursery place is given to children who will turn four during the academic year and who live in the borough of Wandsworth
- If available, places may be offered to children who turn three during the academic year, from the start of the term after their third birthday
- A limited number of fully funded full time places are available. Please contact the school directly for more information if you feel your child may be eligible. Information on the criteria used to allocate full time places is available from the FIS

## Zebra Nursery

at

**Shaftesbury Park Primary School**

**Open from 7.30am to 6.00pm**

## Quality nursery education and care on your doorstep

From September 2015, we will be offering flexible fifteen hour nursery education placements with additional affordable top ups.

We are very competitively priced against local Private, Voluntary and Independent nurseries, with the added benefit of being part of a primary school.

Zebra Nursery will run during school term time only (38 weeks) with no charges for the holiday periods .

Kindly delivered by:

**[Open mornings 03/12/14 and 14/01/15](#)**

## Why choose Zebra Nursery for your child's pre-school experience?

- Flexible free fifteen hour nursery placement for your three or four year old
- Affordable top ups if you require more than fifteen hours nursery provision per week
- The option to have an extended day with quality child care provision from 7.30 a.m. until 6.00 p.m.
- Lovely facilities in a brand new purpose built classroom
- A large well organised outdoor play space
- A well qualified staff team, led by a qualified teacher (all staff are DBS checked)
- A nursery situated in a quiet residential area
- A child centred approach to pedagogy with stimulating play based experiences
- An excellent preparation for school with a focus on preparing your child for 'school readiness'
- Excellent individualised care for your child with a key worker system and an ethos of working closely with parents
- A lively bilingual school community
- An expanding PTA who organise fund raising and social events for children and parents throughout the school year

## The core Zebra Nursery curriculum

There are a number of key activities which always feature in our planning as they provide excellent opportunities for exploration, problem solving, playing imaginatively and representing as well as being great fun!

- Gardening and investigating nature
- Cookery in the dedicated cookery area
- Physical play in the large outside play area; moving, climbing, dancing, constructing with large equipment, ball play
- Block play and construction
- Small world play, role play and acting out stories
- Music and dance
- Mark making and messy play
- Small group learning time: numbers, letters, rhymes and stories
- Fine motor skills: pencil control, pre writing skills, scissor skills, hand eye co-ordination practice
- Healthy snacks are offered and a nutritious lunch for children staying the full day

## Enriching the curriculum

Zebra Nursery is part of Shaftesbury Park Primary School, which opened a bilingual stream (French and English) in 2013 from Reception onwards. We have access to the wider school facilities and resources which enables us to provide the children with a range of additional experiences as part of the curriculum:

- French: We have a number of French national and bilingual teachers as part of the school staff team. Children in Zebra nursery benefit from this provision by accessing small group French lessons. This is an excellent preparation for children transferring to the bilingual stream for Reception
- Yoga, dance and music are provided by the school's specialist teachers (these activities may be at an extra cost)
- We also host extra curricular provision such as multi sports and mini boost exercise programs
- Forest school: this exciting pedagogy means children have forest school experiences in the local open spaces and learn more about the natural world around them
- Large hall time; this excellent facility enables us to provide weekly gymnastics, multi sports and parachute games for the children
- Opportunities to work with children from across the primary age range, including performing to the whole school in assemblies and taking part in whole school events
- A variety of trips to local places of interest e.g. BAC, Battersea Park, children's farms
