Penguins and Starfish visit Metro Bank

On Tuesday, Year 3 were warmly received by staff at Metro Bank, Clapham Junction, for a visit as part of our Enabling Enterprise programme. Store managers Benji, Charlie and cashier Ella lead the children around the bank in groups and allowed the children to explore the day to day routines of the bank. The children used their estimating skills to count money, ordering number skills to find specified lockers and had an exciting opportunity to meet the Metro Bank mascot. The highlight of the visit was definitely exploring the banks vault.

Letters from France

This week, the Sharks class were delighted to receive an envelope of letters from children at l'École Louise Weiss, a French school about thirty miles from Paris. We enjoyed trying to read about each of our new friends in French and finding out about their hobbies and favourite subjects at school. Now it is our turn to introduce ourselves and answer some of their questions. We are all looking forward to having a penpal from another country.

Year 6 cake sale

A huge thank you from the children in Year 6 to everyone who supported their cake sale by donating and/or buying cakes. Thanks to your support and generosity, they managed to raise a staggering £100 to be divided between their two chosen causes, Cancer Research UK and the World Wide Fund for Nature (WWF).

Coming next week...

Our special garden assembly where Mrs Richards and Mrs Imms explained how each class will have responsibility for looking after the garden.

We are very excited about the launch of our garden next week. Although we have yet to begin planting, the children will be able to use the garden area as a space to read or sit and chat quietly from Monday onwards. We can't wait!
