## Caterpillars

## ... in Foundation Stage!

"They are eating and they [will] get fat and they will be butterflies"

Hashim

"They munch and munch and they will make a cocoon and it will be a few days and they will be a butterfly. It's five caterpillars and they are small now but they will be fat soon"

Morgan

This week, the children in Foundation Stage were very excited to receive some special visitors who have come to stay for the new few weeks - 15 caterpillars! Each class now has 5 resident caterpillars, giving the children the opportunity of observing the different stages of their life cycle from close at hand. They may have only been here for a few days but the children in Zebras have already been taking a keen interest in their newest classmates as you can see!

### Article 13

You have the right to find out things and share what you think with others, by talking, drawing, writing or in any other way unless it harms or offends other people.

~

### Article 29

Education must develop every child's personality, talents and abilities to the full.

## Year 5 trip to Lambeth Academy

On Tuesday, Year 5 enjoyed a modern languages day at Lambeth Academy. After being split into three groups, my group went to its first lesson which was Mandarin and was just a little taster of what we would do if we went to that school. Then we had a French lesson where the teacher spoke to us about herself and we had to guess what she was saying. After break, we had a drama lesson, another French lesson and then took part in lesson where we had to decide what to do in different situations. I thought it was a really useful experience to go to Lambeth Academy because it gave us the chance to experience what life will be like when we go into year 7. It was also really interesting and I learnt a lot.

Please bring all donations to the School Office.

We thank you in advance for your support in helping to make our 2017 Summer Fete a success.

# A Message from Friends of Shaftesbury Park

We hope you are looking forward to the summer fete as much as we are on Saturday 20th May from 11am-2pm. It should be a really fun day – but we really rely on parents and carers for support to make it the best it can possibly be.

Our international food stall is always a massive success and everyone loves seeing and tasting all the food from cultures around the world. This year we are asking for ‘finger food’ – some ideas are:

Samosas Quiche Pizza Tandoori Chicken Chicken Drumsticks Scotch Eggs  
Sausage Rolls Small Individual Cupcakes Individual Apple Pies

Please let us know below if you plan to bring something and label your dish clearly like this:

CHILD’S NAME: _____ DISH: (eg samosas) CONTAINS: (eg meat, dairy, nuts)
---

We also need volunteers to help with tasks **in the week before the fete**, and **during the fete** itself. Please let us know below if you can help and return the form to the school office.

Thanks again for your support to make the summer fete fantastic!
