First of all...

Well done to Dolphins for all their hard work leading up to and during SATs week. We would like to thank all their parents /carers and the rest of the school for their support and understanding during this time.

Google Expeditions

On Friday, Years 1 to 6 enjoyed exploring the world from the comfort of the classroom with a visit from Conor from Google Expeditions. Using Virtual Reality Viewers, the children were fascinated to explore locations as diverse as Mont Fuji, Barcelona, the Amazon, oceans and coral reefs, guided by their teachers controlling the expedition from an iPad. Even Mrs Richards stopped by to experience this very innovative use of technology.

#GoogleExpeditions

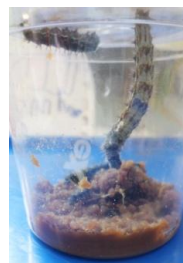

Badgers & Hedgehogs visit the Science Museum

On Tuesday, the Badgers and Hedgehogs had a lovely day at the Science Museum in South Kensington. The children enjoyed two fantastic sessions, one in the 'Pattern Pod' and another in the Garden, which helped improve both their teamwork and motor skills, before having the chance to look around a very cool space exhibition. Some of us even thought we saw real aliens! We're glad you all enjoyed yourselves.

CATERPILLAR UPDATE

Well done to the children in Zebras, Tigers and Leopards for looking after their caterpillars so well. I am pleased to inform you that they are all growing exceedingly large.

Article 29

Education must develop every child's personality, talents and abilities to the full.

Article 31

Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Check out the Rights of the Month highlighted in blue in every Shaftesbury Update
