Welcome to this week's Shaftesbury Update

Transition meetings

Many thanks to all those parents who attended the various transition meetings held this week. We hope you have found them useful. Should you have any questions, please contact the School Office who will be able to direct your enquiry to the appropriate member of staff.

City pitch

Our City Pitch Team got through to the final six schools to present their social enterprise idea: 'Waste out of our Space' at City Hall on Wednesday. After much work, research and preparation, they were successful in securing £1500 of funding from the Mayor's Fund for London to help make their idea a reality. Well done everybody! #CityPitch

Hogan Lovells

On Wednesday Dolphins took part in an Enabling Enterprise trip to Hogan Lovell which is a law firm based in Chancery Lane. We were split into teams of three and were given chances to practice our teamwork and sharing ideas skills! We then had to think like real lawyers, using arguments and points to try and win a case. We put our negotiation skills to the test as we had to think of a compromise to make everyone satisfied with the outcome. All the lawyers who supported us at Hogan Lovell were really impressed with our problem solving skills. A big well done goes to Genesis, Jeya and Israel, who were judged the most impressive team on the day!

Article 31
 Every child has the right to relax, play and take part in a wide range of cultural and artistic activities.

Mosaic Workshops

Many thanks to community artist Julie Norburn who has been running mosaic workshops this week with KS2. We would also like to thank Julie for the fantastic mosaic-making workshop for families and people in our community which she held this week. As you can see from these photos, our mosaic is coming on very nicely. We look forward to the big reveal later this year!

Reception graduation

Congratulations to the Leopards and Tigers who celebrated their graduation from Reception on Friday with a fabulous assembly and party. We are so proud of all you have achieved in your first year of school and look forward to seeing you in Key Stage 1 next year!

We would like to take this opportunity to thank everybody who helped make possible the **Eid-ul-Fitr Sharing Celebration** which took place on Wednesday after school in the playground.

It really was fantastic to see everyone coming together in a spirit of sharing and friendship, and the food was outstanding!

Check out the Rights of the Month highlighted in **blue** in every Shaftesbury Update

Article 24

Every child has the right to the best possible health.

With Summer well and truly here, we are all looking forward to spending lots of time outside for playtimes and also lessons! But we must make sure that we take steps to stay safe in the sun. Here are a few sun safety tips...

Sip on a drink

Slap on a hat

Slop on the 30+ sunscreen

Please ensure your child brings a hat in to school every day (with your child's name in it). We also ask that all children wear sun cream to school which is applied before they arrive in the morning as this offers protection during the school day. You may also provide sun cream in a named bottle for your child to apply themselves at playtimes/lunchtimes

For more information on how to stay safe in the sun, please visit this NHS website:

<http://www.nhs.uk/Livewell/travelhealth/Pages/SunsafetyQA.aspx>

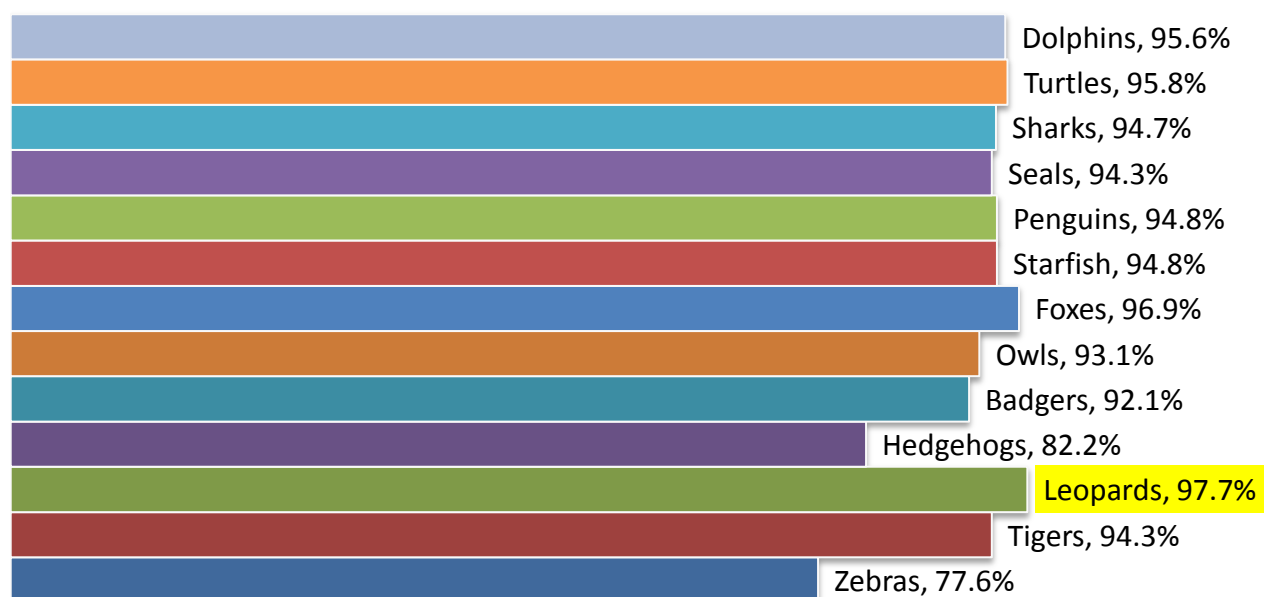

Congratulations to Leopards class for their excellent attendance!

Will Leopards hold on for a second week on top or will another class steal their crown?

Who will manage to reach 100% first?

Check out next week's Shaftesbury Update to find out!

Attendance for week commencing 19th June 2017

DATES FOR THE DIARY

DATE	EVENT	WHO IS INVOLVED?
