Many thanks to everyone who donated cakes or came along to Friday's classroom cake and squash morning in aid of **Macmillan Cancer Support**. With £610.11 raised for this very worthy cause, this year's event has been one of our most successful ever!

## Our trip to Pizza Express

by Witold and Markell

"On Tuesday we went to Pizza Express. When we got there it was closed but they let us in and gave us hats and aprons. This was to keep our clothes clean. The man gave us some dough and showed us how to stretch it by flipping it in the air! We all made pizzas - we put tomato sauce on the base and then cheese and then it got cooked in the ovens. We weren't allowed to eat it - we took it home in pizza boxes that we had to carry back to the school ourselves. The day was yummy and very fun."

## Hold fire on buying your Christmas and Seasonal greetings cards!

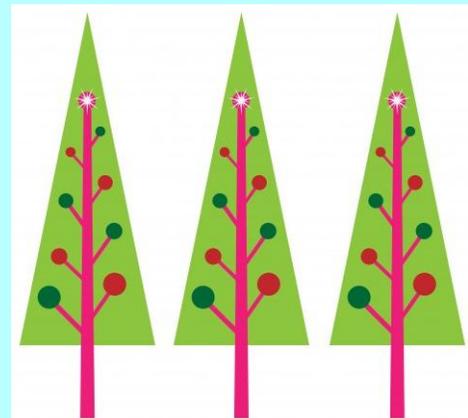

Calling all budding artists! Help to raise money for the school by completing a design for a Christmas or Seasonal greetings card.

You should have received a letter about this exciting project, along with a template for your child's design.

Funds are raised for the school for each pack of cards sold, but **each child who completes a design gets a free, personalised sample card to keep** – with no purchase necessary.

Completed designs need to be returned to the school office by **Monday 16 October** and we are so excited to see them!

We know that sometimes even the best artists need another try – spare templates are available from the school office.

## Seals Enterprise Visit to Société Générale

Seals class visited Société Générale in Tower Hill this week to learn about banking and how to manage their money. They worked with business experts to plan a budget and adapt to changing circumstances. The children presented their ideas to a judging panel and received constructive feedback on their pitches. We were particularly impressed with the confidence of their presentations and the children loved the tour of the offices, including the relaxation garden outside!

## Right of the month for October

### Article 24

Every child has the right to the best possible health with access to clean water and nutritious food.

This month we have been looking at [Article 24](#) which is all about our Rights to good health and to access clean water and nutritious food. It is our responsibility to respect this right and to help others not as lucky as we are.

With this in mind we will once again be collecting non-perishable food on behalf of Ace of Clubs, a fantastic charity providing transformative support for those who are homeless, vulnerable and otherwise marginalised in our local area. Any donations would be greatly appreciated and should be given to the School Office.

### *But what can I bring?*
